

A flock of birds is shown in silhouette, flying in a V-formation across a clear blue sky. Below the birds, a bright sun is rising, creating a lens flare effect. The sun is positioned just above a dark silhouette of a mountain range. The overall scene is peaceful and inspiring, with the birds' flight path leading the eye from the mountains up towards the top of the frame.

The background is a warm, golden-yellow color with a subtle pattern of small white dots and four-pointed stars. Scattered across the background are various school-related items: an open book with blank pages, a pencil, a pair of glasses, a ruler, an apple, a compass, a clock, a notepad with a pen, a chalkboard, and a small box. The text "TEACHERS' DAY CELEBRATION" is written in a bold, dark brown, sans-serif font with a slight orange glow, centered horizontally. Below it, the year "2018" is written in a similar bold, dark brown font with an orange glow, also centered.
