

Action Taken In Response To The Demands Raised By Students In The Students' Feedback Survey 2020-2021

Suggestions given by students

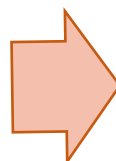

Action taken by the department

Several students asked for ICT enabled classrooms

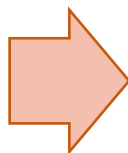

New ICT facility has been installed in room number 305.

Many students demanded more specimen in the department

For the purpose of meeting the students' demand the department has already purchased some specimen and has placed a new requisition of purchase for the departmental museum. The requisition has been placed on 27.12.2021.

More books were requested in the library by students

Some latest and important text and reference books have been listed in accordance with the CBCS curriculum plan of Zoology. A requisition for purchase has been placed in departmental meeting dated 27.12.2021
