Following suggestions/comments were made by the Alumni for betterment of teaching-learning process in the department.

1. Our department and all the faculties are really very supportive for our theory and practical needs and I think to be recognised more we need a little modification.
2. More skilful teachers are required to help HOD Madam to improve the overall quality of Physiology Dept.
3. I had spent those college days very well, my HOD helped me as much as she can. I had enjoyed by working in laboratory as well as all our respective faculties appreciated me very much and helped in preparing for final exam. I hope our department will do better in future.
4. Enhance student support services
5. Organize more short departmental quiz / competitive programs
6. I think increasing the number of teachers will also improve the academic activity.
7. Need more Instruments for practical classes
8. Improvement of library
