

## Education Department

### Facilities Available in the Department for the Students

The Departmental teachers from day one tries to encourage and maintains a very good rapport with the students. All the teachers have a pledge for imparting man making education, hence the future goals and adequate academic plans and future job prospects of the students are addressed on the very first day and the students are guided likewise with encouragement and enthusiasm for their future life. They are given a vision and mission to reach their goals in life for their future, basing on the practical aspects of it. The essence of character building is also emphasized through value education citing the life story and philosophy of different Educationists and Visionaries from the syllabus. The Department has a Departmental Library, hence students are given regular lending facilities of different books, and some under privileged students are also given specimen copies of the books of the teachers for good.

Under privileged students are identified by the department and are provided with different grants and endowments for continuing the education.

They also have access to the Digital Classroom, where they are taught, through interactive sessions.

They can also access and order for books through their mobile phones from the college library.

They also have spacious rooms for practical work.

They have the scope of making Power Point presentation as they have a project on it following C.U.syllabus.

Now the students are doing online education through Google Classroom and are submitting their assignments and projects online and have come to know the use of various apparatus of Google Classrooms through the faculty.

Department holds intra departmental quizzes, extempore, students seminars.

Departmental Talks are arranged for the students from different faculties of different Colleges.

Department holds excursions to places like visit to the sites of Srirampur Trio

Students make wall magazines, Drawings, Portraits of great Educators.

They can show and bring out their talents through Cultural Programmes.

They have a counseling facility from the department and special cases are referred to the psychiatrist doctor who happens to be our counsellor as well.

They write in the magazine of the college, take part in NSS Activities as extension activities like literacy Mission, Thalassemia Awareness Camp, Aids Awareness Camp, Environment day celebration, College Cleaning, Green Campus activity, Swatch Bharat Activity in College.as the H.O.D is the NSS Programme Officer, their character building is emphasized at the same time.

As the Sports- in -Charge is also from this department the students are encouraged to do sports and physical activity.

They are offered on the spot job through job fair through the Career Counselling Placement Cell headed by both the full time teachers of the department. Department of Education plans to publish a journal in future which will encourage student participation as well.

There are total 1100 books in the library. Out of which 569 are text books and 441 reference books. There is a provision for Departmental Library.
