

TEACHERS' DAY

Teachers' Day is celebrated in all departments of Dr. Kanailal Bhattacharyya College, and the Department of Philosophy is no exception. Celebrating the birthday of Dr Sarvapalli Radhakrishnan, the country's first Vice President, second President of India, Bharat Ratna awardee, scholar, philosopher, and a highly-respected teacher and prolific statesman, the students celebrate the day with great enthusiasm every year. In a heart-warming environment, we celebrate the teacher-student bond with greetings, wishes and great performances by the students. On many occasions, the Hon'ble principal of the College and a teacher above all, Dr. Kaustubh Lahiri joins us in our departmental celebration and his glorified presence makes this day even more special.
