System Diagnose: Schematically encompassing E Governance:

✿ E Corridor Labyrinth : Functional Components

☑ Departmental Outpouring:

☛ Infrastructural Amelioration or Substitution

☛ Book and Journal Requisition

Both resolved in the Departmental Meeting channelling through E Procurement System to Hub cluster.

* E Procurement System is not just Emailing it is an inbuilt system bricked by Subject specified requisition component profile delineated in consultation with each Subjective Heads with Practical Curricular responsibilities.

* Objective here is to maintain a precise procurement record of Apparatus Equipment Instruments Glassware Chemicals Specimens and Peripherals.

* To maintain an institutional acquaintance of procured objects so that during successive requisition evaluation can be applied to testify the accountability of registered proposal.

* To abandon wastage is the prioritised emphasis an imperative under Progressive Fiscal Conservatism.

☑ Campus Infrastructure : E Procurement System from different entrusted quarters is on the making for enacting integrated Digitised procurement system.

☑ Students Support System: Already successfully implemented by which students can remit any fees through Online Platform sparing them wasting their time standing in long Que and running pillar to post for this purpose.

☑ College App : An Android Mobile students friendly App is under making to provide access to Facilitating nodes in College Website for students from anywhere everywhere.

☑ Voluntary and Professional Courses: Students pursuing these courses do also avail identical E Payment Facilities. Requirement procuring for these programmes are also being brought under E Requisition system.

☑ Sports and Cultural System : Process is already on to encompass these portfolios under integrated E Requisition system.
