## 7.1.3 - Describe the facilities in the Institution for the management of degradable and non-degradable waste

College campus is marked as PLASTIC FREE zone and posters are displayed for all stakeholders for awareness.

### Solid waste management:

The solid waste of the campus has been collected using green and blue dustbins and disposed by Howrah Municipality.

### Liquid waste management:

All waste water lines from toilets, bathrooms etc. are connected to the septic tank or safely disposed off through internal sewage system connected to the Municipal Corporation sewage line.

### Biomedical waste management:

Biomedical waste materials collected cautiously from different bio science laboratories and stored properly. Periodically the materials were disposed through municipality system.

### E-waste management:

Highest use of electronic system is our priority so that production of e-waste could be minimized. The e- wastes like non-functional computers, monitors, printers, keyboards, mouses etc. are collected and are properly through state organization WEBEL.

### Hazardous chemicals and radioactive waste management:

ISO committee monitored the all over disposal. Different jars labeled properly are placed in different laboratories for disposal of hazardous chemicals. No radioactive materials are generated in the campus.
