## **AQAR METRIC: 6.4.3 Institutional strategies for mobilization of funds and the optimal utilization of resources.**

The college follows a well-organized and integrated approach to resource mobilization. The Principal, in consultation with all the Heads of Departments and the members of the College Development Committee, made a preliminary estimate of the resources required to manage the various academic and administrative aspects. Based on that calculation, the Finance Committee prepared a well-planned budget. After final approval of the Budget from the Governing Body, the Principal made proposals with the members of various sub-committees and submitted them to the UGC, MHRD, RUSA or the Government of West Bengal. Financial assistance is also sought from MLA LAD or MP LAD Funds or private Agencies. Such as last year TCG Life Sciences provided financial support from their CSR fund for the creation of the College Bio Science Lab. A large portion of the financial resources are collected from the admission of students in the college.

**A transparent institutional strategy is followed in the college for the best use of resources. The College has a well-organized Governing Body as per the guidelines of the University of Calcutta and the Department of Higher Education, Government of West Bengal. In this statutory Body all the policies for conducting educational and administrative activities of the college are formulated.**

**In order to bring transparency in the optimal utilization of the financial resources of the College, the Finance Committee under the Governing Body prepares the budget and gives preliminary approval after scrutinizing all the transactions. The Governing Body reviews the recommendations of the financial committee and gives the final clearance. The Principal is the Drawing and Disbursement Officer.**
