EVENT- 5 **(5/06/2019)**

Theme - Develop among themselves a sense of social and civic responsibility

Event organized to accomplish the theme

World Environment Day

The day was celebrated by the NSS Unit on 5.6.19, 30 students from NSS Unit took the initiative by planting Medicinal Herbs and Saplings in the College Garden, and also by labling them with their Scientific names on the plants. Students made colourful charts depicting the importance of Environment, and the need to preserve trees, highlighting the importance of maintaining the ecological balance. Students, teachers, and the full team enjoyed doing the activity at the same time remembering the need for planting trees and preserving them, for various reason like for having oxygen supply, helping the herbivorous animals thrive thus maintaining the ecological balance.

OUTCOME

Students interest could be aroused regarding their environment and taking care of the same. Sense of aesthetics was also encouraged among them.

BENEFICIARIES

30 Students, 10 teachers, 10 Community Members.
