FACILITIES AVAILABLE IN THE DEPARTMENT FOR STUDENTS:

INSTRUMENTS

Facilities available in the Department for the Students Department of Botany

Department has sufficient facilities of equipments and chemicals which are essential for based subjects. Department has two specious lab which provides different instruments, glass goods & chemicals for performing practical classes in both Honours and general courses. All new instruments are installed for performing the practical classes.

List of instruments available in the Department (Semester-wise):

SEMESTER	PAPER	TOPIC	NAME OF INSTRUMENTS
SEM - I	CC1	Phycology and microbiology	Compound microscope, Simple microscope, Camera lucida, stage micrometer, pH meter, balance, inoculating needle, Autoclave, hot air oven, pan balance, chemical balance, vortex
	CC2	Mycology and phyto-pathology	Compound microscope, Simple microscope, stage micrometer, ocular micrometer
SEM - II	CC3	Plant anatomy	Compound microscope, simple microscope
	CC4	Archaeogoniate	Compound microscope, simple microscope
SEM - III	CC5	Palaeobotany and palynology	Compound microscope, simple microscope

1. To finalize the AQAR for the year 2018-19
2. Curricular and extra-curricular outreach programmes undertaken by the College in collaboration with IQAC during the academic session 2019-20.
3. Actions initiated by IQAC to fulfil NAAC prerequisites and NIRF participation during the year 2019-20.
4. Miscellaneous.

Resolutions:

IQAC ACTIVITY REPORT: 2019-2020

1. It is hereby ratified that the IQAC has successfully submitted previous AQARs up to the academic year 2018-2019 (2014-2015, 2015-2016, 2016-2017, 2017-2018, 2018-2019)
2. Curricular Programmes during 2019-20 session.
 - a) The college has successfully conducted online classes in two phases in consonance with the directives of Department of Higher Education and the University of Calcutta. The unique part is that we have not outsourced this entire process of conducting online classes. It is the single-handed endeavour and enterprise of our young staff Sri Arpan Mullick, In-charge of IT Cell of the College by whom we have been able to conduct these online class institutionally through Google classroom. In both the phases, phase-1 and phase-2 we have been able to conduct more than 100 classes with very good response from all the faculties and students. This is a very new initiative and we have been able to garner such a big response from our teacher and students and even our administrative staffs to conduct online classes. It has helped us to build an E-resource Centre catering to the need of our students especially during the pandemic period.
