AGENDA	RESOLUTION
 Ratification of Last 1QAC Meeting held on 07/12/2021. 	Resolutions of last IQAC Meeting dated 07/12/2021 stand ratified.
 Renewal of registration with the N-LIST programme, the online database run by INFLIBNET. 	Resolved that the college will renew its registration with the N-LIST program to access various e-resources like research articles, e-journals, e-books, literature, etc. at an affordable cost. A comprehensive list of authorized users- including faculty, staff and students will be sent to N-LIST to obtain log in-ID and passwords.
3. Formation of Electoral Literacy Club	Resolved that an Electoral Literacy Club (ELC) is to be set up in college to promote Electoral Literacy among students. Primary functions of ELC would be to create awareness on voting procedure, voter registration, and importance of informed voting among students by organizing debates and discussion on various election related topic, to encourage students to participate in Youth Parliament competition, to encourage club members to volunteer themselves in various electoral processes in their areas. A committee headed by Prof Anasua Chatterjee will look after the functioning of ELC. Proposed members of the committee: a. Prof. Anasua Chatterjee. (HOD, Dept of Pol. Sc. & Convenor) b. Prof. SK. Saddam Hossein (Dept. of Pol. Sc.) c. Dr. Prabir Kumar Sanki, (Dept. of Commerce) d. Dr. Samir Kumar Naskar (Dept. of Education) e. Shri Susanta Chatterjee (NTS) and f. Shri Arun Manna (NTS).

IQAC Meeting-2 ACADEMIC SESSION-2021-22

DATE: 06/05/2022

VENUE: IQAC ROOM

TIME: 2.30 pm

	AGENDA	RESOLUTION
1.	Proposal for introduction of new Distance Education Centre in campus.	Open and Distance learning (ODL) is being considered as important avenues through which equity, access and quality of education can be attained under NEP-2020. Our institution does not have any distance education program of its own so far. It is resolved that the institution will open its campus for distance learning by hosting 'Learner support centre' under IGNOU. Under this agreement, the host institute will provide infrastructural facility and the faculty of the host institution will be empanelled as academic counsellor of IGNOU. In turn IGNOU will pay hiring charges as per its norms to LSC.
2.	Proposal for Introduction of new distance education centre under Rabindra Bharati University.	One of the key targets of the NEP-2020 is to use of ODL as a mainstream delivery mechanism. Acknowledging the fact, that our institution is yet to meet the eligibility norms to design its own ODL courses, it is resolved that our institution will promote opening of more study centres for ODL under recognised institutes. The institution will submit proposal to open 'study centres' under distance learning program of Rabindra Bharati University to conduct PG courses in distance mode in Geography, Bengali, Environmental studies, Political science and Education in near future.
3.	Proposal for Full time Librarian in central library.	Resolved that requisition for sanctioning the post of a Librarian for College library will be made at the earliest to ensure better facility and service for the students and faculty. (Excerpts from Governing Body meeting: Resolution no: 6-9/GB1 dated 28/06/2022)
4.	Introduction of new subjects in UG & PG curriculum.	Resolved that proposal be submitted to concerned authority for necessary approval of PG course in Education and UG Honours course in Journalism and Mass Com, Food and Nutrition and Bachelor of library and Information Science.
5.	Restructuring of add-on courses on Interior Decoration	Resolved that the Institution needs to redesign its add-on course on Interior design by inviting other houses who can offer short-duration, pocket friendly certification courses. Institution will continue to promote B. Voc. program alongside new courses.
6.	Observation of World Environment Day.	Resolved that World Environment Day will be celebrated on 5 th June, 2022 by planting saplings in college garden. Dr. Kanailal Bhattacharyya College in collaboration with SBI will take special initiative to create awareness about making the environment and surroundings clean and green.
7.	Upgradation of Digitized accounting system.	College Will maintain system generated voucher as part of digitized accounting system from next session.
