## Action Taken Report on student feed back Department of History

ISSUES RAISED BY STUDENTS IN DEPARTMENTAL FEEDBACK	ACTION TAKEN REPORT BASED ON STUDENT'S FEEDBACK
1.Demand for extra classes for semester III	1.In response to demands raised by students of semester III of the Department of History. We have placed a request before the College authority to increase the number of classes for semester III.
2.Demand for Educational tour for semester V and Inclusion of it in the curriculum as a compulsory part of the syllabus	2. The students of semester V have demanded a compulsory inclusion of educational tours into the curriculum for them. As per the demand raised by them, all faculty members arranged a meeting to discuss the matter on 10th August 2022. After that, we requested our principal to give permission for the same and convinced him to send a request to the University of Calcutta for the compulsory inclusion of it into the syllabus.
3. Demand for more Student Seminars	3.We usually try to arrange one or two student seminars for each academic session but semester V students raised for more Student seminars on the tough part of their syllabus. They also raised this demand for their semester VI syllabus. As per their request, we already arranged student seminars and trying for more. We officially requested the authority to provide more funds for students' seminars.
4.Special classes for both advanced and slow learners.	4.The subjective mentors always put emphasis on the discussion of the question pattern, and type of answer after completion of their syllabus but we arrange special classes for the slow learners. Advanced learners can also attend those classes as per their requirements. Moreover, we from the Department of History maintain a YouTube channel to provide video classes for slow learners. we also provide study material in Google Classroom for all students of History.
5. Need for more faculties	5.Department of History- was run by only one full-time faculty and one SACT teacher. Students raised the demand for more subjective teachers. So, the Institution provided 4 guest lecturers for the Department of History.
