To,

The Principal,

Dr. Kanailal Bhattacharyya College,

P. S. Dharmatala, Ramrajatala,

P. O. Santragachi, Jagocha,

Sub: Offering Skill Courses in the college campus

Respected Sir,

Season's Greetings.

First of all thanking you and your good office to give us an opportunity to come down in your esteemed college to present our skill courses.

Our Skill courses offered in college campus - Campus 2 Career will provide students to acquire job skills while pursuing the graduation program. Get Graduate ready.

The details of the course are as follows :-

Course Name: Campus 2 Career

Course Duration: 6 months (Foundation- 2 months, Domain- 3 months, Project & Grooming- 1 month & placement activities)

Domains offered: 1. Retail Sales Associate (Retail Sector), 2. Customer Relationship Executive (Automotive Sector), 3. Airline Reservation Agent (Airspace & Aviation Sector), 4. Front Office Associate (Hospitality & Tourism Sector), 5. Field Technician Computing & Peripheral (Electronics Sector) and 5. Accounts Executive based on Practical Ideas on Tally (Banking & Finance Sector)

The college can choose any domain from the above selected list.

Course Fees: Rs 7000/- (Rs. 3000 OP and balance in Rs.700 * 6)

We will also provide the student a Platinum Job Card to provide placement assistance after finishing the course. The job card will be valid for a period of three years.

We are eagerly waiting for your positive response in this regard. For any clarifications, you can get back to me or my colleague Mr. Gopal Ghosh (9336569423)

Thanking you

With due regards

Abhijit Paul

Sub: Proposal of Training Program

Respected Dr. Lahiri

We would like to take this opportunity to introduce ourselves - The Institute of Computer Accountants (ICA), the Pioneer in imparting Computerized Accounts, Finance and Taxation courses and one of the first players in the industry to offer job-guaranteed training program.

We would like to thank you for providing us an opportunity to present our proposal where ICA Edu Skills can provide Customized Computer Training with Basic Computer, Tally ERP with GST entries to the students of Dr. Kanailal Bhattacharyya College.

Our experience in training professionals and our understanding of your college environment will enable us to deliver the program suited to your students' requirements and beyond.

The enclosed document sets out our proposition and demonstrates why ICA is best positioned to partner with you and offer your students with the most contemporary and comprehensive training solution.

We are excited to present our proposal with respect to the above. Looking forward to a great relationship.

Thanks & Regards

Guman Pramanik

2020-2021 Fulbright-Nehru Academic and Professional Excellence Fellowships

The Fulbright-Nehru Academic and Professional Excellence Fellowships aim to provide Indian faculty, researchers, and professionals the opportunity to teach, conduct research, or carry out a combination of teaching and research at a U.S. institution. Depending on the U.S. host institution, it is likely that the grantee may contribute towards developing curriculum and conducting workshops and seminars. These fellowships are for four to nine months. If you are applying for a Flex Award, the minimum length of the total grant is four months and the maximum is six months.

Applications are invited in the following fields only : Agricultural Sciences; Anthropology; Bioengineering; Climate Change Sciences; Computer Science (including, but not limited to, cyber security, digital economy, quantum computing, artificial intelligence, machine learning and big data analytics); Economics; Education Policy and Planning; Energy Studies; History; International Law; International Security and Strategic Studies; Materials Science (with emphasis on environmental applications); Mathematical Sciences; Neurosciences; Performing Arts; Physical Sciences; Public Health; Public Policy; Sociology; Urban and Regional Planning (with emphasis on smart cities and waste management); Visual Arts; and Women's and Gender Studies.

Research

Applicants must demonstrate the relevance of the proposed research to India and/or the U.S., its benefit to the applicant's institution, the feasibility of accomplishing the research goal within the stipulated period, and the need to carry out the research in the U.S.

Teaching

Indian academics and professionals contribute to the internationalization of the curriculum at their U.S. host institutions and the understanding of recent developments not just in India but globally. The recipient will be affiliated as a visiting scholar at a U.S. institution, and will teach courses individually or team-teach.

Teaching applications are especially welcome.

Research and Teaching

Applicants will carry out a combination of research and teaching activities at the U.S. host institution. They must specify the percentage of the grant for each activity and define this in the project statement. For instance, if you plan to spend 60 percent of your grant duration for research and 40 percent for teaching, your project statement should demonstrate this allocation. Teaching could include courses (individually or team-taught) or a series of seminars at the U.S. institution.

Flex Awards

Flex Awards are designed for scholars who require multiple visits to the U.S. and for those who find it difficult to leave their home institutions during the academic year. This option allows grants to be conducted over short segments, preferably during the fall and/or spring semesters. Interested applicants should clearly indicate plans for Flex in their project statement, including a project timeline.

E-mail : raybagchisampa2005@gmail.com

• Flex grant parameters :

- Only offered for research grants.
- Minimum length of the total grant is four months and the maximum is six months;
- The grant must have two segments. Minimum length for any grant segment is one month and the maximum is three months;
- Applicants may propose one-month segment only once;
- Grant segments may be spread over two consecutive years;
- Grants may begin any time from August 2020. Grants must begin by March 31, 2021;
- Grant activities must be completed by August 31, 2022; and

No more than 25% of the total Fulbright-Nehru Academic and Professional Awards will be considered for the Flex option. USIEF will consider up to seven Flex Grants. A maximum of two round-trip economy class air tickets for the grantee only will be provided (one ticket per trip).

In addition to their research activities, Flex scholars agree to undertake activities recommended by USIEF, including : engaging with the host institution academic community, participating in seminars, giving public talks, and mentoring students. Applications that propose grant periods during the host institution's academic year are preferred. Scholars who wish to visit the host institution outside of the academic year will need to demonstrate clearly how they will engage with the host institution community.

Affiliation

You will be affiliated to one U.S. host institution for your grant. USIEF strongly recommends all applicants to identify institutions with which they wish to be affiliated and to correspond, in advance, with potential host institutions. If you have secured a letter of invitation from a U.S. institution, please include it as a part of your online application.

Grant Benefits

The fellowships provide a J-1 visa support, a monthly stipend, Accident and Sickness Program for Exchanges per U.S. Government guidelines, round-trip economy class air travel (two round-trip economy class air tickets for Flex), a modest settling-in allowance, and a professional allowance. Subject to availability of funds, in case of grantees on eight or nine month grants, a dependent allowance and international travel may be provided for one accompanying eligible dependent provided the dependent is with the grantee in the U.S. for at least 80 per cent of the grant period. Flex grantees are not eligible for dependent benefits.

Eligibility Requirements

In addition to the General Prerequisites:

- faculty/researchers must have a Ph.D. degree or equivalent published work with at least five years of relevant teaching/research experience;
- professionals outside academe must have a master's degree or equivalent published work with recognized professional standing and at least five years relevant experience;
- the applicant should upload a recent significant publication (copy of paper/article) in the online application; and

It was inaugurated by Shri Arup Roy, Minister-in Charge, Department of Cooperation, Government of West Bengal. The session was presided over by the Chief Guests, Dr. Prithwish Kumar Roy, Honourable member and eminent geographer, Advisor IQAC Committee, Mrs. Nandita Kundu, Headmistress of Santragachi Bhanumati Girls High School, Dr. Swapan Kumar Das and Professor Sumon Bandopadhyay Honourable Governing Body members, and also our Honourable Principal Dr. Kaustubh Lahiri. The Speaker for the event was eminent physician and researcher Dr. Nimai Bhattacharyya of School of Tropical Medicine, Kolkata; Endowments were also given to the meritorious students.

OUTCOME

The discourse highlighted the painful increase in number and spread of the disease. It also highlighted the probable precautionary measures to be taken for the well being of the future life of student and staff, and encouraging them to go for screening of Thalassemia. It was advised that a screening for Thalassemia is to be done for both boys and girls specially before marriage to identify the carriers of such disease, as two carriers if married have a high probability of having a Thalassemic child.

STARTING OF SELF DEFENSE CLASSES

(15/9/19)

Self Defense classes for the girl students in College was started under the NSS Unit, on 15.9.2019. Self defense experts from different states and also students of other colleges as trainers, participated and demonstrated various kinds of tactics for self defense. Students were highly encouraged and almost sixteen girl students joined the self defense programme in college, and are now undergoing training for Championship.

NATIONAL SCIENCE DAY, 2022

28th February is the National Science Day. On this auspicious day a student seminar was organized by department of Biological Science and IQAC of Dr. Kanailal Bhattacharyya College. At the beginning, Dr. Madhumita Debnath, Head Department of Physiology delivered a keynote address on National Science Day. Here, students of 6th Semester shared their vision on different aspects of science. In this seminar there were four presenters. The presentations were good enough and other participants felt enriched with some knowledge. As the theme of National Science Day, 2022 was "Integrated Approach in Science and Technology for a Sustainable Future" our first presenter Olivia Manna, student of Semester VI, Botany Honours presented on "Plant tissue culture: A way of plant propagation and species conservation". This presentation was followed by another talk on "Stem cells in regenerative therapy" by Swagata Parui, student of semester VI, Zoology Honours. The third presenter Trisha Dey presented on a very relevant topic in this present situation i.e., "COVID- 19 vaccine". The next talk was on "Snake venom" by Swagata Khanra, student of B.Sc. General Semester VI. They presented in a lucid way. After completion of these presentations, there was a question answer session. This session was followed by certificate distribution among all the presenters and participants.

Seminar On

"Forest and Wildlife in India: Ecological Perspective"

Speaker: Prof. Susanta Kumar Chakraborty,
Department Of Zoology, Vidyasagar University

Date: 23.04.2022

Venue: College Auditorium

Time: 12 Noon

Forests serve as a natural habitat for wildlife and a wide variety of plants. India is not only famous for its architecture and cultural values but also for its diverse wildlife and dense forest cover. Forests are among the most species-rich environments on earth, making them critical reservoirs for many groups of living organisms ranging from vertebrates to microbes. India is one of the ten most forest-rich countries in the world with a sum cover assessed at 21.05% of the country's geographical area. More than 45,000 floral and 81,000 faunal species are found in forest. The nation has 691 protected areas comprising of 528 wildlife sanctuaries, 102 national parks, 57 conservation reserves and 4 community reserves.

Major types of forests are tropical evergreen forests, tropical deciduous forests, tropical thorn forests, montane forests and mangrove forests in India. The range of these forests is very vast, extending from the rain forests of Kerala in the South to the Alpine Pastures of Ladakh, from the desert of Rajasthan in the West to the evergreen forest in the North-East. Forests are very useful for maintaining the ecosystem. They help to modify the local climate, control soil erosion, regulate stream flow, support wood-based industries, support the livelihood of many communities. They also reduce the force of wind and thus reduce the effect of storms, maintain temperature and cause rainfall. They provide humus to the soil and shelter to wildlife thus preserving bio-diversity. India's rich and diverse wildlife is also preserved in its vast forest expanse. Bengal tigers, deers, pythons, wolves, foxes, bears, crocodiles, camels, monkeys, snakes, the mighty Asian elephant and variety of other species are found in this nation. Around 172 or 2.9% of the endangered species including the Snow leopard, the Indian white-rumped vulture etc which are on the edge of extinction, are still found in the country. The varied and rich wildlife of India has a profound impact on the region's popular culture. There is an intrinsic relationship between organisms and their habitats, which is one reason environmentalists are deeply concerned about the destruction of habitats, such as deforestation.

Poem By The Student

Earth Day & Covid-19 Awareness Programme online through Poems

করোনা ভুঁই কেনো এসেছে এই পৃথিবীতে।
 তোমার জন্য বিশ্ববাসীর দুঃখ গিয়েছে ভেঙে।।
 করোনা ভুঁই কেনে নিচ্ছে সবার শান্তি সুখ।
 তোমার জন্য কল ভাঙতবাসীর হয়েছে চোখ বুজ।।
 করোনা আর তোমার জন্য হয়েছে বাজার বন্ধ সব।
 ছুস, কলেজ, ব্যাঙ্ক তো আছেই... হয়েছে আমাদের গির বেগুর মঠ।।
 চাল নেই, তাল নেই, নেই করি তরকারি।
 ধনী খালি একসাথে আছে হয়েছে যে ভিক্ষারী।।
 করোনা ভয়ে আমরা সবাই বড়িতে আছি বসে।
 প্রাণ্ড পত্র সুস্থ হওয়ার এই অপেক্ষার পথে।।
 ভয় পেওনা, চিন্তা করনা... করোনা না গো মুখ ভর।
 আমরাই বুঝতে পারবো এই লাড়াই জয় করবার দ্বার।।
 যাবার হাত বৌত, পা বৌত, হও পরিবার ভাই।
 আমরা যদি সবাই এক হই... করবো এই করোনা প্রতিরোধের উপায়।।
 আবার শহর সুস্থ হোক... চলুক আবার যানবাহন।
 মানুষের মুখে হাসি ফুটুক ...
 জাতি, ধর্ম তফাৎ ভুলে।।
 করোনা ভুঁই বিদায় হও ...
 নিয়ে সবার বেগনা।।
 বিলীন হয়ে যাক আকাশে...
 এই করি বিশ্বের কাছে প্রার্থনা।।
