CITIZEN'S CHARTER

Kanyashree Prakalpa

Department of Women and Child Development and Social Welfare

Vision

On the 1st of October 2013, Government of West Bengal launched Kanyashree Prakalpa for protecting and promoting the rights of girl children of West Bengal.

Kanyashree Prakalpa provides a safety net for those vulnerable families who are forced by tradition, social compulsion or poverty, to truncate the education of their daughters and contract them to wholly illegal and dangerous marriages. The scheme improves the status and wellbeing of girls, specifically those from socio-economically disadvantaged families, through Conditional Cash Transfers by:

- Incentivizing them to continue in education for a longer period of time, and complete secondary or higher secondary education, or equivalent in technical or vocational steams, thereby giving them a better footing in both the economic and social spheres.
- Disincentivising marriage till at least the age of 18, the legal age of marriage, thereby reducing the risks of early pregnancies, associated risks of maternal and child mortality, and other debilitating health conditions, including those of malnutrition.

Mission

The Scheme confers more than just monetary support; it is a means of financial inclusion and a tool of empowerment for adolescent girls. The scheme's benefits are therefore paid directly to bank accounts in the girls' names, leaving the decision of utilization of the money in their hands.

To reinforce the positive impact of increased education and delayed marriages, the scheme also works towards enhancing the social power and self-esteem of girls through a targeted behaviour change communication strategy. The communication strategy not only builds awareness of the scheme, but includes adolescent-friendly approaches like events, competitions and Kanyashree clubs, and the endorsement of strong women figures as role models to promote social and psychological empowerment.

It is a Conditional Cash Transfer Scheme and has two components:

Sub: Update on Bangla Shiksha – Kanyashree Portals Integration (KP Year 2022-23)

Sir/Madam,

Based on the data dump received from the School Education Department, all girl students between the ages of 13 and 18 years in Class VIII were imported into the KP Portal from the BS Portal. An extensive de-duplication exercise was undertaken by schools, and all girls found to be eligible vis-à-vis the eligibility criteria of Kanyashree Prakalpa are currently being processed as Fresh (First-time) K1 beneficiaries for the Kanyashree Year 2022-23.

An API is being developed by this Department to include other possible fresh K1 beneficiaries from the BS Portal for the Kanyashree Year 2022-23; these are:

a. Girls between the ages of 13 to 18 years and in Class VIII who were not in the BS database as on ;17th May 2022

b. Girls between the ages of 13-18 years in Classes IX to Class XII.

The API is expected to be in operation in November.

In the meantime, all districts are requested to sensitize HOIs and nodal teachers of the need for 100% correct student data in the BS data-base before the API is deployed. Once a potential Kanyashree beneficiary's data is imported into the KP database, the Kanyashree Prakalpa portal will not allow corrections of critical fields, viz. Name of beneficiary, date of birth and class. This is to ensure sanctity of the Kanyashree database that disburses a substantial sum of funds each year to beneficiaries via a stringent verification process.

It must therefore be made clear to all schools that if a beneficiary's name, age or class is erroneous at time of import from the BS portal to the KP Portal, necessary corrections must be made before importing such data as subsequently corrected data will not be allowed to be imported into Kanyashree Prakalpa Portal. All schools may be advised to prioritize correcting erroneous data of the above-mentioned potential Kanyashree beneficiaries by November 2022.

Yours faithfully,

Principal Secretary
