

NATIONAL SCIENCE DAY, 2022

28th February is the National Science Day. On this auspicious day a student seminar was organized by department of Biological Science and IQAC of Dr. Kanailal Bhattacharyya College. At the beginning, Dr. Madhumita Debnath, Head Department of Physiology delivered a keynote address on National Science Day. Here, students of 6th Semester shared their vision on different aspects of science. In this seminar there were four presenters. The presentations were good enough and other participants felt enriched with some knowledge. As the theme of National Science Day, 2022 was “Integrated Approach in Science and Technology for a Sustainable Future” our first presenter Olivia Manna, student of Semester VI, Botany Honours presented on “Plant tissue culture: A way of plant propagation and species conservation”. This presentation was followed by another talk on “Stem cells in regenerative therapy” by Swagata Parui, student of semester VI, Zoology Honours. The third presenter Trisha Dey presented on a very relevant topic in this present situation i.e., “COVID- 19 vaccine”. The next talk was on “Snake venom” by Swagata Khanra, student of B.Sc. General Semester VI. They presented in a lucid way. After completion of these presentations, there was a question answer session. This session was followed by certificate distribution among all the presenters and participants.
