

Dr.Kanailal Bhattacharyya College

Freshers welcome of department of History

On September 21,2023 our history department concluded its welcoming ceremony for the first year students. All of us teachers organized this event for History honours first semester students. Almost all the students attended and made the event a success. We arranged tiffin for each student and arranged a small gift with it. Senior teacher Ruma madam gave some educational speech to the students. We teachers sang songs and addressed the newcomers. Several students made the event a success by singing and dancing.
