7.1.8 The Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities .

*Social & Communal Harmony*

State Level seminar on "Unobingsho Satabdite Banglar Nabajagoran o Darshan"  
jointly organized by Department of Philosophy & History in association with IQAC on  
9<sup>th</sup> June, 2023

Date : 09/06/2023

Topic: "স্বামী বিবেকানন্দের দৃষ্টিকোন থেকে জাতীয় সংহতি ও বর্তমান ভারতবর্ষে তার প্রাসঙ্গিকতা" (National integrity and its relevance in present India from the point of view of Swami Vivekananda)

Speaker: Dr. Aditi Bhattacharya

Objective of Seminar: In present India Swami Vivekananda is very relevant to every body specially to youths. Vivekananda envisioned a national dynamic culture in India based on tolerance and equality of humanity. He believed that national sprint in India could be developed by young people devoting their lives to social service and national awakening. He encouraged Indians to avoid divisive issue of race and language and imbibe the sprit of unity. This is the reason why the department has selected this topic for the seminar.

## STUDENTS SEMINAR PRESENTATION 2023

The Department organised a Students seminar titled 'Exploring Dimensions of Power, Politics and Governance from the Ancient to the Contemporary World' on 08/06/2023. Participants were students of 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> Semester Honours. The students presented papers on varied topics ranging from theory of State of Aristotle to the modern period, New Education Policy 2020, Digital India, Cold War and its after effects, Formation of New states like Bangladesh and India's role in its liberation, India's security issues especially with the changing role of Pakistan and China etc. 25 students presented their topics. They were judged on the basis of the topic chosen, research and presentation. 7 students were given special recognition for their paper. The students were also awarded certificates.

**Convener**  
Dr. Satyja Mukherjee

**Organizing Secretary**  
Dr. Manita Barua  
(IQAC Coordinator)

**About the Seminar**  
Department of Geography, Dr. Kanailal Bhattacharyya College, to organize a One day student seminar on "Environmental Hazard and its Mitigation" on April 29<sup>th</sup>. Important Teachers/Research Scholars/Students are requested to attend the Seminar.

**About the Department**  
The Department of Geography under the University of Calcutta has been established in the year 2003. It has started its journey by offering a General degree course under the 1914 system in 2003. B. A. Honours in Geography was introduced 2006. The Department of Geography already offers affiliation to teach Post Graduate course in Geography from Vidyapeeth University in 2009 (with a capacity of one hundred (100) for the purpose and successfully received the PG Course in Geography up to 2019. The faculty gives equal importance to teaching and research to enrich the students and impart knowledge to develop critical thinking in various aspects of geography. Fieldwork and problem sessions are held to develop an innovative and analytical approach to learning. The Department has two FTEs and two SACTS teachers, Dr. Kanailal Lahiri (Principal of the College) is also one of the Teachers of this department.

At different times, reports from different related fields are evolved from outside to attract and motivated the students. With assistance UJIAN is published by the students of the Department. Encourages or educational tours are conducted regularly according to the requirements of the syllabus of university of Calcutta. Keeping in mind the demand from the local areas, have been started intake capacity to thirty (30) in B.A. Honours in Geography and also, the department is trying to start (M. Sc in Geography) Postgraduate course opening session. A Geography Department need to host Post Graduate course in the Geography under DOE Vidyapeeth University. The Department infrastructure was associated under RUSA & College fund to support practical course, syllabus of PG Course with particular emphasis on GIS and Remote Sensing. GIS and Remote Sensing Software ERDAS & INTMPS have been installed in 25 Desktops with Internet services. The department is also equipped with all advanced Geographical equipment and maps and Topographical Sheet absolutely useful for PG Students.

## REPORT ON ONE DAY SEMINAR

**“Influence of endocrine hormones upon fish reproduction, induced breeding of Fishes, Fish Brood Stock and Finfish Hatchery Management”**

On 6<sup>th</sup> May, 2023

The department of Zoology of Dr. Kanailal Bhattacharyya college arranged in collaboration with IQAC a one day seminar to light up the fish breeding techniques specially induced fish breeding , broodstock as well as hatchery management of finfishes on 6<sup>th</sup> May, 2023 in college auditorium. The programme was chaired by respected Principal Sir Dr. Kaustubh Lahiri along with president of college governing body Partha Sarathi Adhikary, head of the department Dr. Sudipta Bhowmick and other teaching associates. The eminent speaker of the seminar Mr. Subrato Ghosh who is continuously serving as Assistant Fishery Officer under Directorate of Fisheries, Government of West Bengal.

He described elaborately induced breeding of indian major carpr. He showed the pictograph of entire procedure of hypophysation (breeding of fish inducing pituitary extract) also lighted up the story of Dr. Hiralal Chowdhury, popularly known as Father of Induced breeding of fishes in India. Induced breeding refers to inducing fish to release gametes through the application of pituitary extract or hormones or chemicals. Mr. Ghosh mentioned two of the widely used market available hormones- Ova prim and Ovate, along with respective dose for male and female.

In fishery management, brood fish care and brood stocking play the key role for successful breeding. Mr. Subrato Ghosh as constantly works on these at south

24 pargana, easily mentioned his field work experience about carp stocking i.e. 1000-3000 kg/ha: rogu and mrigal are stocked at a higher rate, catla is stocked at a lower rate. Feeding different stages of carps and also brooders are as much important as pond management. Mr. Ghosh finely described food type required for fry, fingerling etc. Elaborate description of breeding hapa and hatching hapa were nicely potrayed by Mr. Ghosh enabled everyone to understand smoothly including students and non-science background people.
